★ The New Ranma Project ★

After skipping past book 18 due to missing scripts, our early translation efforts moved on to book 19 here. At the time we skipped over the 5-part story in the middle, cause it had already been completed by The Original Ranma Project, who we drew our inspiration from.

The first project was done by a single guy, working alone, putting out the occasional chapter that he did entirely on his own. We were a fan of his work, but sadly he got too busy and stopped putting anything new out for a long time. That's why we decided to pick up where he left off, and maybe even improve on what he did before, with better scans and more creative translations.

The first three and the last three chapters were done in our early period between February and April, before we started posting chapters. Again they suffer from our inexperience with it.

The middle five chapters were done months later by DarkAsh.

The Beachside Amnesiac

Translation by

(gurf@erols.com)

Hey Akane.
Where did Ranma run off to?
Where else? He's off fighting
Looks like upperclassman Kuno issued Ranma yet another challenge
HE'S LATE! That jerk Kuno what's his problem now?

He's as bad as Ryoga Leaving me out here waiting forever
Hmph!
Soon you shall taste the fruits of my new training!
Be prepared!
signed, Tatewaki Kuno
Huh?
ACK!!!

Hey!
It's Kunoi
I wonder what sort of training he was doing?
Bah He's nothing but trouble
Hey he's awake!
Upperclass-man Kunoi Are you all right?

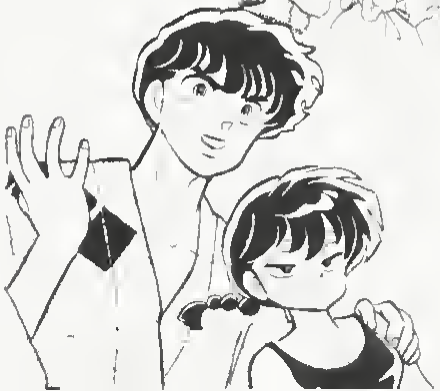
COME! Let us start a new story of love!
Who are you person to behave so barbarically toward me?
Hey!

Hey you idiot! YOU'RE the one that challenged ME to a duel remember?!
Who am I?
Huh?
You can't remember anything?!
Perhaps he has amnesia?
Do you know who I am?
Not at all Who are you?

AH YES! Slowly some images are returning to me! I can see it now

That first marvelous day you timidly approached me with a love letter

The big chocolate you gave me on Valentine's day



And our first Sunday date at the amusement park

And our first Ki...
And just HOW can you so clearly remember things that never happened!
What an odd person The amnesia must have addled his mind more than we thought.
Actually he's pretty much always been like this
Oh dear. Kuno! You're saying you don't remember me your fellow classmate at all? Not even one little bit?
Sadly not at all
Then you don't remember the 5000 yen you borrowed from me?
Oh! I owe you money? That at least I can fix
Nabiki He already has amnesia Why did you have to swindle him for 5000 yen too?
Ah Kasumi You're absolutely right! I should have made it 10000 yen

I wonder who I am?
And what is this thing for?
OH!
Heh
A watermelon?!
Yeah, you were wearing one on your head when I found you last night. Maybe this will help jog your memory!
UH...

STAY BACK! Keep them away from me!!!
Yes! A reaction!
Get back here! This is for your own good!
Ack!

Huh?
WAAAAHHH!!!!!
What kind of crazy move is that?!
He...He's spinning!

HAAATA
TATATA
TATA!!!!!
!
EEEK!
Do something! It's starting to hit everyone on the beach!
Quick Ranma stop him!!!

Hey Kuno you block-head! Chill out already!
Look out Ranma! He's turning!
!

GYAH!

What an incredible attack! I never even had a chance to get close to him!
Hey look! All the watermelons have been cut into absolutely perfect slices!
YUM!
Oh wow! Kuno's actually become a truly formidable fighter!

HUH?!
What is going on?! How on earth did I just do that?!?! WHAT IS GOING ON?!?!?!
Arrgghh! Who am I?!
WHO AM !!!!!!!
To learn such a powerful technique the training required must have been ngorous indeed! He no doubt lost his memory from such strains
He put himself through all this just to fight me?
Hey Kuno
You really didn't have to knock yourself out like this just for me

Oh! Yes of course!
All that I have been through! I must have done it all for you!!!
GYAAAH!!!!
Come now! Let us forget the past and build a new history of love!!!
AUUUGGGGHH!!!! I have GOT to get this idiot's memory back!
Actually when you think about it nothing's really changed

PART.2
The Beachside Pur-suitor

Translation by.
EvlNabiki & SHADE
(gurf@erols.com)

The one on the left had a thinner waist But I think the one on the right was cuter
Earth to Kuno. Come in Kuno
Then again the one with the polka dot bathing suit had a very nice butt
Oh! Can't forget her
Hellooooo? This is the challenge letter you issued me
What?

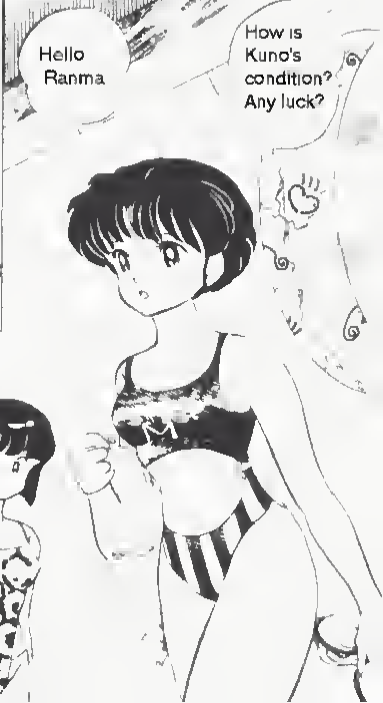
What the hell are you looking at anyway??? Can't you cooperate at all?!
About what?

About the loss of memory
Who's memory?

YOUR Memory!
Mine?

Oh wait! I remember now
What?

I have amnesia



Hello Ranma
How is Kuno's condition? Any luck?

I'm terribly sorry Miss I would be most very eager to remember you, but sadly...
Uh... Don't worry about it
Kuno you blockhead! Why don't you go back into the melon where you belong!

You should thank me stranger for staying my hand You should not trifle with your betters
Omigosh! Ranma couldn't even get close to Kuno!!!
Looks like Tatewaki has gotten really powerful Who'd've thought it?
He's so great!
Heh

BACHELOR #1
Name Tatewaki Kuno
Age 17
Description Strikingly handsome, dark and tall, superior katana skills
Ummm, that's enough.
Did you really lose your memory?
How romantic!
Alas, it is true I have come to the seaside to reawaken my lost memories of love
My, isn't HE popular?
Are you all right Ranma? You look pale.
Hmph!
No matter what state his memory is in, I have a duty as a martial artist to honor his challenge to me and FIGHT HIM!

Fight him, Ranma? And what was that five minutes ago? I suppose that doesn't count?
Oh Shaddup !!!

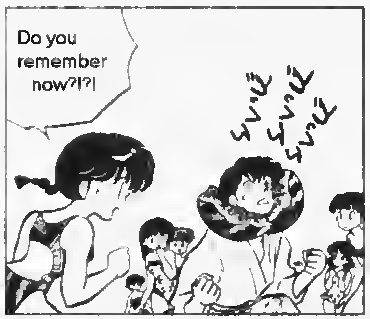
OH Kunoooo!
MARIA GUA TWENTY-THREE

Oh Hi!

HA!
Sucker!
You shouldn't underestimate me just because I'm female!
Relax!
I'll fight you properly just as soon as I cure your memory problem
Kuno showed up that first time with a watermelon on his head
Stands to reason that the same stress will jog his memory back.

Alrighty! Let's see if you remember anything now?!
AH!
That's it! Come on you blockhead! Wake up from watermelonland already!
AH!!! I see!!!
I was training
I was training so hard for something
Why was I training?
Reason! REASON!

REASON!!!
REASON!!!!
REASON!!!!!!!!



Do you remember now?!?!

YES!
I REMEMBER!
I trained hard so that I could pick up girls! It all makes sense now!

AUGH! That's not the reason you moron! Would you look at this challenge letter already!!

Hm?

Soon you shall taste the fruits of my new training!

Be prepared!

signed,
Tatewaki
Kuno

snif What a beautiful love letter!

IT'S A CHALLENGE LETTER YOU MORON!!!!!

Listen up! You did all that training so you could fight with ME!

Ranma! CATCH! It'll be easier to convince him as a male!

Right!

As long as you go out with me I swear I'll remember anything you want!
Um Well
GO OUT WITH ME!!!
WAAAAH!!

Where'd she go?
ACK! What happened to her? My venus where are you?
Fat chance weirdo!
Like I'd ever actually date with a lunatic like you
AAAHHH!!!
GO OUT WITH ME!

You can't escape so easily!
They've swum clear out of sight.
Ranma
Look where those two are headed
yeah, right toward Watermelon island
Watermelon island?
Yeah, you can see it right out there
It's a deserted island

They say it's a pretty scary place. Nothing there but watermelons, watermelons, and more watermelons.
Nothing but watermelons?!
Watermelons! And here Tatewaki's all buffed up to hack watermelons to pieces. Could be rough on Ranma.
A totally deserted island? That means there won't be any way of getting hot water anywhere there!
Come out! Come out wherever you are! We're the Adam and Eve of this deserted island! Isn't it grand?
That Jerk! That Jerk! That Jerk! That Jerk! That JERK!

PART.3

The Beachside Island

Translation by. EvilNabiki & SHADE (gurf@erols.com)

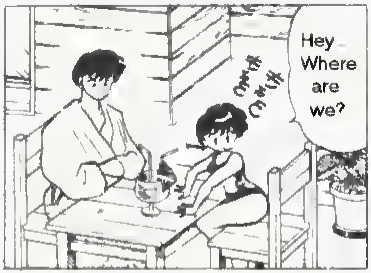
Kawasaki
A legendary kendo training ground?
On watermelon island?
That's what I've heard—

Alas the poor souls that go there invariably end up losing their memory No doubt some very harsh training going on there
That explains it all!
In order to fight Ranma
Kuno must have gone to the training grounds on watermelon island
So essentially what he did was...
A trade of memory for ultimate swordfighting skill!!!
Hehehe I have you cornered now!
DAMN!
RANMA'S IN BIG TROUBLE!

DATE ME OR DIE!!
FORGET IT! YOU Psychotic WEIRDO!
You should have realized by now that throwing watermelons at me is useless!!!
HMPH!
HA HA! Boy did you ever deserve that!!!

AH! Trapped on a deserted island with a beautiful unconscious girl...
It's all just so

DARLING! Lunchtime!
Ahhh, we've been trapped on this island for so many years
We're lovebirds in paradise! Right?
Yeee! I'm so Happy! I hope it never ends!
YAAAH!
Ah my ange! So good to see you awake
POW! WHAM! WHAP! POW! ZOT! KAPOW!
HEY! That hurt!
It was just a dream!
HUF HUF HUF HUF



Hey... Where are we?

It's an abandoned kissaten (coffee & tea house)
Deserted Kissa
Oh...

Anyway later I'm outta here
HEY! You can't leave now! We're dating!

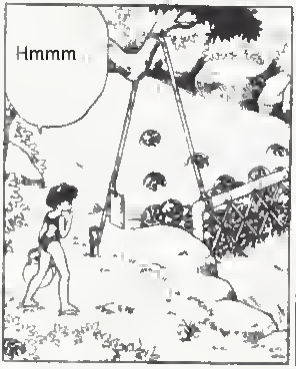
Don't you remember? This is the only way to refresh my memory!
Losing your memory sure hasn't changed your stupid ideas about things!

Hey be careful! There's a waterfall just around that bend
Oh?

HEY! There really is a water-fall!
How did you know it was there Kuno?
Huh?

Hey Kuno! Can it be that you're starting to remember?
WELL?! Do you remember anything? Come on spit it out!
GLOMP!
CAN'T YOU BE SERIOUS FOR ONE MINUTE?!
Hmmmm. Well it's just that this scenery gives me a strong sense of Deja Vu
You've actually BEEN here before?!?!
Meanwhile...
Ranma
Where in the world are you? The island is not that big

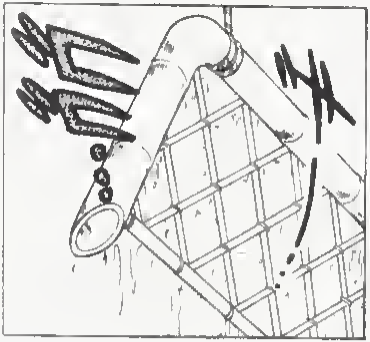
What?



Hmmm

!
Trainees pull this rope to begin practice

This is what we've looked for!
This must have been part of Kuno's training!
YANK!



ぐぐぐぐ

That's right I was standing by this exact waterfall...
I was attacking watermelons with my sword
YES!
You were here to fight me! Remember dammit!!!
What? Is something wrong?
Miss If we could only exhange diaries I'm sure I could remember everything!
AUGH!!!! You idiot! This is no time for a stupid trick like that!
Have you forgotten so quickly?
Remember that I am stronger than you are!

This is a deserted island! Scream and cry all you like there is no one around to here you
Now be a good little girl and let me violently...
GAAAAH!
Give it up! Date with me you have no choice!!!
WHAT?

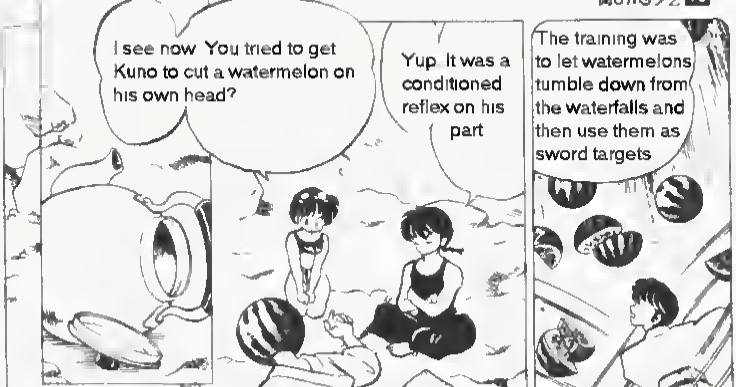
Blast these accursed watermelons! I almost had her in my grasp!
HYAH!!!!

CUT IT OUT JERK!
HA! You're not going to stop me with that!
Hmm?

.....

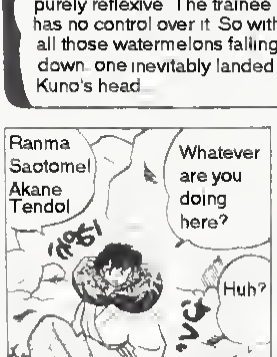
I see!
The watermelon cutting is a total reflex! He's not doing it consciously at all.
If he can't control it
I have a chance!
All right! I'm gonna go for it!!
OH Kuno darling!
AH My angel! Have you at last agreed to date with me?!?!
Hey sure! But first a present for you!

CLONG!!!
Aha!
HA! YES! I've defeated the watermelon technique!!!
Ranma! Way to go!



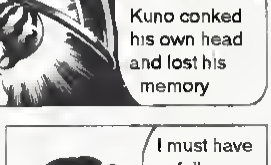
I see now You tried to get Kuno to cut a watermelon on his own head?
Yup It was a conditioned reflex on his part
The training was to let watermelons tumble down from the waterfalls and then use them as sword targets

After doing that long enough the watermelon slicing becomes purely reflexive The trainee has no control over it So with all those watermelons falling down one inevitably landed on Kuno's head
So when the reflex kicked in Kuno conked his own head and lost his memory



Ranma Saotome! Akane Tendo!
Whatever are you doing here?
Huh?

Kuno! Do you recognize us now?!
HEY! Your memory is back!



I must have fallen unconscious while I was training

Kuno I'm not trying to trick you by telling you this

Your sword-fighting skills have gotten really outstanding. I couldn't even get close to you in battle.
What on earth are you talking about?
Huh?
Soon you shall taste the fruits of my new training!
Be prepared!
signed, Tatewaki Kuno
You sent me this challenge letter!
You must be mistaken! This is a love letter that I wrote to the Pig-tailed girl!
It's a ?!
That means...
AH my Pig-tailed goddess!!!
How I wish you could have been here to see my skill in watermelon cutting!!!
Do you want some cold water now?
You've GOT to be kidding

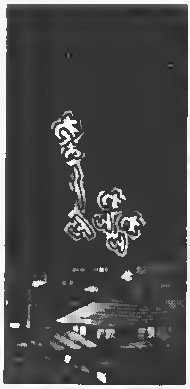
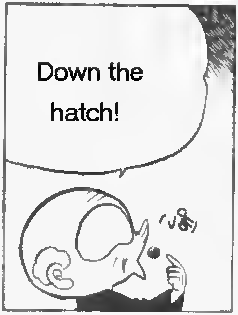
Master-Student Secret Pill

Translation by:
EvilNabiki & SHADE
(gurf@erols.com)

Underwear Thief! Someone stop him!
Don't you ever get tired of doing that you freak!!!
Ranma is this how you treat your master?!
Get real, freak. You don't reform your ways, and next time pantyhose or some other monster carries you off we WON'T take you back.
Abusing a poor old man like that!
This is unforgive-able!



Passed down from most ancient Chin the dreaded master-student secret pills!
The master takes the red pill and the student the white and soon
The un-grateful student will learn his place!



Down the hatch!

Gyee hee hee hee Now Ranma shall become my obedient servant!

I can't get off...
Hey!
Get off of me!
It's too early to start this crap with you

Well as long as we're stuck to each other much better to have you in your girl's body!
GYAH!
Master-student pill?
What in the world is that?
Didn't I teach you fools ANYTHING?! Look at this!
Oh what ungrateful students become joined with their masters
For example... On a walk...
At mealtime...
...the mystery is of course Why our bodies can't be seperated? I just don't understand.

But master it says here that the pills create a powerful magnetic force between them that permanently bond whoever swallowed them together
It's written here quite plainly
This last forever! Why the hell didn't you read that thing first?!
Alright, so it didn't go exactly as I planned It's not all bad so far though
FOOD!
Here! Here! Get it! Get it!
ぱくぱく
ぱくぱく
ぱくぱく
ぱくぱく

Dad and Mr. Saotome are searching for a way to seperate you two as fast as they can. Can't you two behave until then?
Stop crawling all over me you disgusting old freak!
Alright! I've figured out how to move like this!

HEY!!!
It's time we got moving Ranma!!!
QUICKLY! TO THE GIRLS' DRESSING ROOM!!!!!
There's NO way you monster!

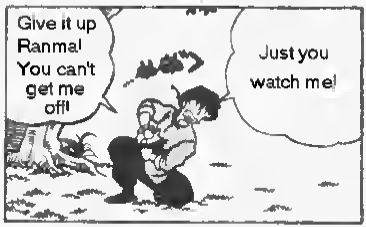
RANMA! THAT WAS VERY BAD OF YOU!
YOU'RE A FINE ONE TO TALK! YOU STARTED THIS WHOLE MESS!!!

WHAT?! They'll be stuck together FOREVER?!
They HAVE to seperate today or the spell is permanent?
1-F

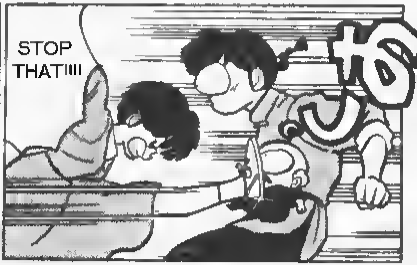
Yes! One day and not a moment longer! Time is running out!
That's awful! We have to hurry!



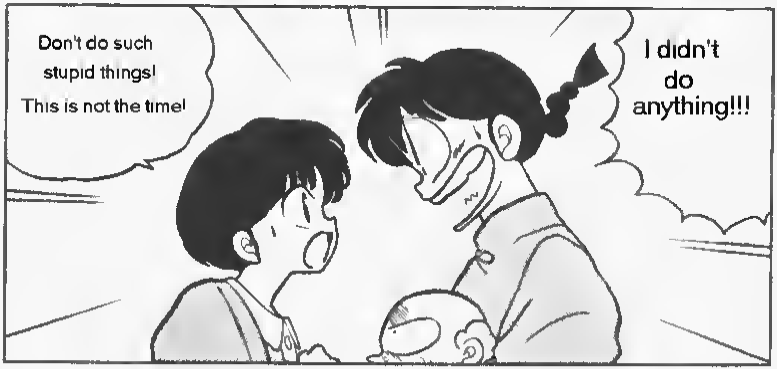
Give it up Ranma! You can't get me off!
Just you watch me!

RANMA!!!

OOooh! Hello Akane-chan!



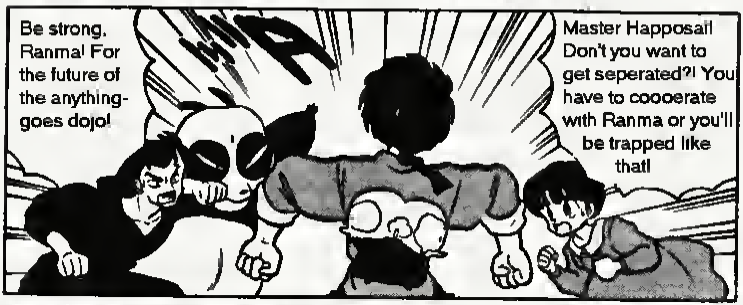
STOP THAT!!!!



Don't do such stupid things! This is not the time!
I didn't do anything!!!

What?! There's a way to get us seperated?! Tell me!
Yes, there is only one way to save you...
It's really quite simple actually
Well spit it out already!
The student, namely Ranma, must defeat the master!
Thus will end the master-student relationship, and the binding power with it!
sigh Very well I suppose that if there is no other way, I must sacrifice my body for the greater good
Ranma! You know what you have to do
RIGHT!
I'm not going to anything back!

Hey!
How could you! You were really going to hit me!
Of course I was you idiot!
But that would've hurt! I'm just a frail old man! How could you?!



Be strong, Ranma! For the future of the anything-goes dojo!
Master Happosai! Don't you want to get seperated?! You have to coooerate with Ranma or you'll be trapped like that!

RANMA! Snap out of it! This isn't the time to take a nap!
Curse our miserable luck!

Ah well. Don't worry about us everyone. I'm old, and haven't long to live anyway.
I'll spend my few remaining years getting close to my favorite student. That is, after all, fate I suppose.
Aren't you at all worried about Ranma?!?!
I see then. Fate is it. We'll be living together for the rest of our lives.
RANMA?!
Ranma, you...?
So be it! From this day forward we are one body! And in that case...
It's past time for us to head for the girls' locker room!
HEY!!! RANMA!!
Oh Ranma! You are too good to this tired old man!

WHOA!
HEY! NO FAIR! I can't see! Lemme up!
No way! You'll never get to look again! You even try and I'll kill us both.
MUST SEE! CAN'T! CAN'T! NO! I MUST! THIS CAN'T BE HAPPENING! NOT THIS! ANYTHING BUT THIS! I MUST SEE!!!!!!!!!!!!!!!!

—RANMA ½ 19 · END—
